

We Build Customers for Life

Kaiyuh Information Technologies, LLC

A Gana-A'Yoo, Limited Company

COMPANY OVERVIEW

Kaiyuh Information Technologies, LLC (KIT) is a full service Information Technology (IT) provider of highly qualified IT professionals for **Consulting, Direct Hire and Project Solutions Services**. KIT is part of the Gana-A'Yoo, Limited family of companies that has offered a full suite of Administrative Services, Facilities Maintenance Services, Food Services and Janitorial Services to federal clients for nearly 30 years. We are renown for excellence in delivery, performance and customer satisfaction as evidenced by outstanding feedback and CPARS ratings. We know our customers have choices, and we are dedicated to ensuring KIT is the company you trust to be part of your team.

KIT was built through strong relationships with our clients and customers and we understand the value of customer relations and quality service. We are committed to becoming the optimal provider of all your IT needs.

Our process is simple – understand the customer requirements, staff positions with highly qualified people and support them in their efforts to perform beyond expectation. Every team member – from the project manager to administrative personnel – is dedicated to excellence.

KIT offers customers a skill base of project managers with proven experience to manage an entire applications outsourcing effort. With extensive qualifications in all facets of project life cycle development, our project solutions team includes on-site project managers and team members with a high level of technical expertise in data center management and support, client server applications, software development life cycle, change management, and system interface and integration. Our project managers recognize the strategic business needs of our clients and are capable of guiding a project team throughout the full project life cycle process. Our team members are professional, prepared and ready to serve.
