Kaiyuh Information Technologies

A Gana-A'Yoo Family Company

WHO WE ARE

Kaiyuh Information Technologies (KIT) is an 8(a) certified subsidiary of Gana-A'Yoo, Ltd., an Alaska Native-Owned Village Corporation serving its 1,200 Native shareholders and four villages along the Yukon River. In Athabaskan, Gana-A'Yoo means "friends together," which is reflected in our logomark's firm arm grip and the value we place on building long-term relationships with partners and clients.

KIT is as proud of its heritage as it is of its history of safe and successful contract performance. We have earned a reputation as a trusted contractor capable of responding rapidly to our client's mission requirements and needs. That responsiveness (combined with our network of partners, subcontractors, and diverse family of sister subsidiaries) ensures service depth, breadth, and scalability to meet any client or mission need.
